Backend & Database

Spring Boot, MySQL

Graphic Design

Adobe Illustrator, Adobe Photoshop

Tools & Platforms

Git, GitHub, Postman, Swagger, VS Code

Soft Skills

Team Collaboration, Time Management, Problem Solving, Creativity

Experience

Graphic Designer-Remote

The Helping Hand Psychological Hospital - Sri Lanka

Dec 2019 – Jan 2021

I Contributed To The Helping Hand Psychological Hospital, A Distinguished Private Healthcare Institution Focused On Advancing Mental Health And Psychological Well-Being By Providing Visual Design Support For Their Awareness Campaigns And Patient Materials. My Work Involved Creating Posters, Brochures, Digital Graphics, And Social Media Content That Aligned With The Hospital's Mission Of Offering Confidential, Compassionate, And Premium Mental Health Services. Through Tools Such As Adobe Photoshop, Illustrator, And Canva, I Helped Communicate The Hospital's Values And Services To A Broader Audience While Maintaining Sensitivity And Professionalism In All Visual Content.

Banking Intern

Hatton National Bank (HNB), Divulapitiya - Sri Lanka

Jan 2021 – Dec 2021

As A Banking Intern At Hatton National Bank, I Supported Day-To-Day Administrative And Operational Tasks Within The Branch. My Responsibilities Included Assisting With Data Entry, Organizing Customer Documentation, And Handling Basic Clerical Duties To Support The Efficiency Of Banking Services. I Gained Exposure To Essential Banking Processes, Including Account Management And Customer Service Procedures, While Adhering To The Bank's Confidentiality And Compliance Standards. This Experience Enhanced My Attention To Detail, Communication Skills, And Understanding Of Professional Operations In The Financial Sector.

Projects

Mail Tracking System - Team Member

This Project Is Designed To Streamline The Management Of Incoming Mail Within University Administrative Units. It Utilizes A Barcode-Based Tracking Mechanism To Improve Mail Processing Efficiency, Accountability, And Real-Time Tracking For Stakeholders. The System Incorporates Role-Based Access, Allowing Super Admins, Mail Admins, And Branch Agents To Collaborate Effectively While Maintaining Comprehensive Oversight And Data Security. Additionally, It Features An Urgent Mail Tracing Service That Ensures Timely Updates Are Provided To Faculty And Students.

Tools & Technologies : Spring Boot, MySQL, React, Typescript, Tailwind CSS, Git

Projects

Personal Portfolio Projects

I Have Developed Three Personal Portfolio Websites To Showcase My UI/UX And Frontend Development Skills. Each Portfolio Demonstrates A Unique Visual Approach While Focusing On Responsive Design, Accessibility, And Modern Frontend Practices. These Projects Reflect My Ability To Build Interactive, Clean, And User-Centered Digital Experiences.

Tools & Technologies : React, CSS, Git

Portfolio V2 : manuri-rasara.github.io/portfolio-light/

Portfolio V3(Current) : manuri.vercel.app/

MosqGuard Mobile App UI Design - UI/UX Designer

I Designed The Complete Mobile User Interface For MosqGuard Using Figma, Creating Wireframes, High-Fidelity Mockups, And Interactive Prototypes That Emphasized Responsive Design, Accessibility, And Intuitive Navigation. My Work Focused On The Visual And User Experience Aspects Of Key Features Such As Real-Time Hotspot Mapping, Risk Alerts, And Educational Content, Delivering A User-Centered Design Ready For Developer Implementation. This Design Was Successfully Developed Into A Fully Functional Mobile Application.

Tools & Technologies : Figma
